GREAT CURE.

DR LELAND'S ANTI-RHEUMATIC BANDO IS THE ONLY KNOWN REMEDY FOR Rheumatism, Gout and Neuralgia, AND A SURE CURE FOR

All Mercurial Diseases.

It is a conveniently arranged Band, containing a medicated compound, to be worn a round the Waist, without injury to the most delicate persons; no change in habits of living is required, and it entirely removes the discase from the system, without producing the injurious effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the disease, through the pores of the skin, effecting in every instance a perfect cure, and restoring the parts afflicted to a healthy condition. This Band is also a mostpowerful Awri-Miscential agent, and will entirely relieve the system from the pervicious effects of Morcury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long standing.

IIJI INVITE ATTENTION to some of the most raordinary cures by my PECTORAL SYRUP.

They are at home, and any one who has doubts can in quire of the person who have been cured by it-DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES.

ATTEND TO YOUR COLDS —A case of five years tanding cured by DR. KEYSER'S PECTORAL SYRUP. Ріттявиван, Јап. 11, 1860.

Dr. Krysen:—My wife has been afflicted with a bad cough and diffucilty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose. I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Privisionan, Nov. 18, 1858.

Dr. Kryser:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hearseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

moving all that disagreeable sensation attending a severe cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unbesitatingly say that it is the best remedy I ever found, purporting to care the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JONES,

COL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—Dr. Keyrer.—Dear Sir: Excuse the delay of my acknowledging the extellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. **Rinocled the noise out of my cough and the worst one I was ever afflicted with I have not used more than one-half of the tottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or a tany cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. E. F. PRATT. READ THE TRUTH.—Dr. Kryska: I have a daughter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PEUTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough. Robinson street, Allegheny.

Pritsurest, December, 31, 1853.

A GREAT CURE BY DR, KEYSER'S PEOTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced acout the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PEOTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the caughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being abouteighty years old. I have no doubt the Pectoral saved his life.

ANOTHER NEW CERTIFICATE-DR. KEYSER'S ANOTHER NEW CERTIFICATE—Dis. Agrees a PECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so had was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. "STOP THAT COUGHING."—'How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our advent upon this mundane sphere. We coughed steadily and laboriously for one whole week, in hopes of thring it out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the siege, we coughed our way to Keyser's, 140 Wood fit.—procured a fifty cent bottle of the "Pectoral;" took it according to directions, and inforty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drousseille Clipper, Dec. 14, 1859.

ONLY PREPARATION THAT HAS

STOOD THE TEST OF YEARS, and grows more and more popular every day! And testimonials, new, and almost without number might be given from ladice and gentlemen in all grade, of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.

Battle Creek, Mich., Dec. 21st, 1858.

Prov. Woom Thee wilt please accept a line to inform thee that the hair on my head all fell off over twenty pears ago, caused by a complicated chronic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative, about the first of August last. I have faithfully followed the directions, and the bald apot is now covered with hair thick and black, though short. It is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to perseverve in its use, in and being destitute of means to purchase any more, I would ask thee if thee wouldst not be willing to sendme in order on thine agents for a bottle, and receive to thyself, the scripture declaration—"the reward is to those that are kind to the wildow and the fatherless."

Thy friend, SUBANNAH KIRBY.

PROF. O. J. I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair would again be restored. I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used saven dollars' worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can hay.

As a mark of my gratitude for your labor and skill in
the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances,

Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the lowels, and also, that most excruciating of diseases, the PILES.

How many thousand of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish to impress on your mind that good old proverb, "An ounce of prevention is better than a pound of cure," In the you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you any injury.
